

PERSONAL CARE INGREDIENTS

Comercial Química Massó S.A. is a well known member of the **personal care** family. Our aim is to **provide solutions** through the **distribution of a comprehensive range of cosmetic ingredients** and the **offer of specialised technical support**, from formulation design to manufacturing scale-up. The most recent investments in those areas include a totally **new logistic centre** built in 2008 and a **fully equipped application laboratory** that is working since 1997 and renewed in 2011.

Comercial Química Massó S.A. was founded in **Spain** in the 1960's. Since the very beginning, we have been supplying the **personal care** market. Our **international expansion** in that industry started in 1998, opening the first sales office in **France**. In 2003, we established new offices in **Poland, Czech Republic** and **Hungary** increasing the presence in other European regions. In 2013, the office in **Peru** started its activity. Today, we serve personal care customers worldwide in all 5 continents.

Comercial Química Massó S.A. evolves according to the needs of its customers. Our focus is to provide **particular answers to our personal care customers**. That is the aim behind our own product range!. It includes **personal care ingredients**, as well as **unique synergistic ingredients** that have been designed to boost the efficacy, adjust the texture and simplify the design and manufacture personal care formulations.

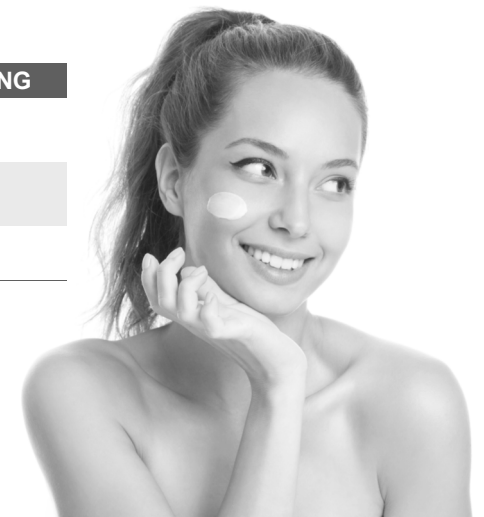

Comercial Química Massó S.A. is close to its customers. Our **personal care sales teams** will be pleased to provide you with additional information on any of the products and services you may be interested in.
